## 1 Client Side

### 1.1 Login - Client

The image shows a web browser window titled "Login to CartMe" with a close button (X) in the top right corner. The main content area has a light gray background. On the left, there is a large illustration of a hand holding a smartphone, with a shopping cart icon on the screen. To the right of this illustration, the word "CartMe" is displayed in a large, bold, red font. Below the logo, there are two input fields: the first is labeled "Email" and the second is labeled "Password". Below the password field, there is a checkbox labeled "Show Password". At the bottom of the form, there is a red button with the word "Login" in white text.

In the current interface, you will find two input fields labeled as 'Email' and 'Password'. These inputs are required for authentication purposes when accessing the CartMe system. By providing your Email and Password, the system can verify your identity. If you do not have an account yet, please refer to page 2 to register and create an account.

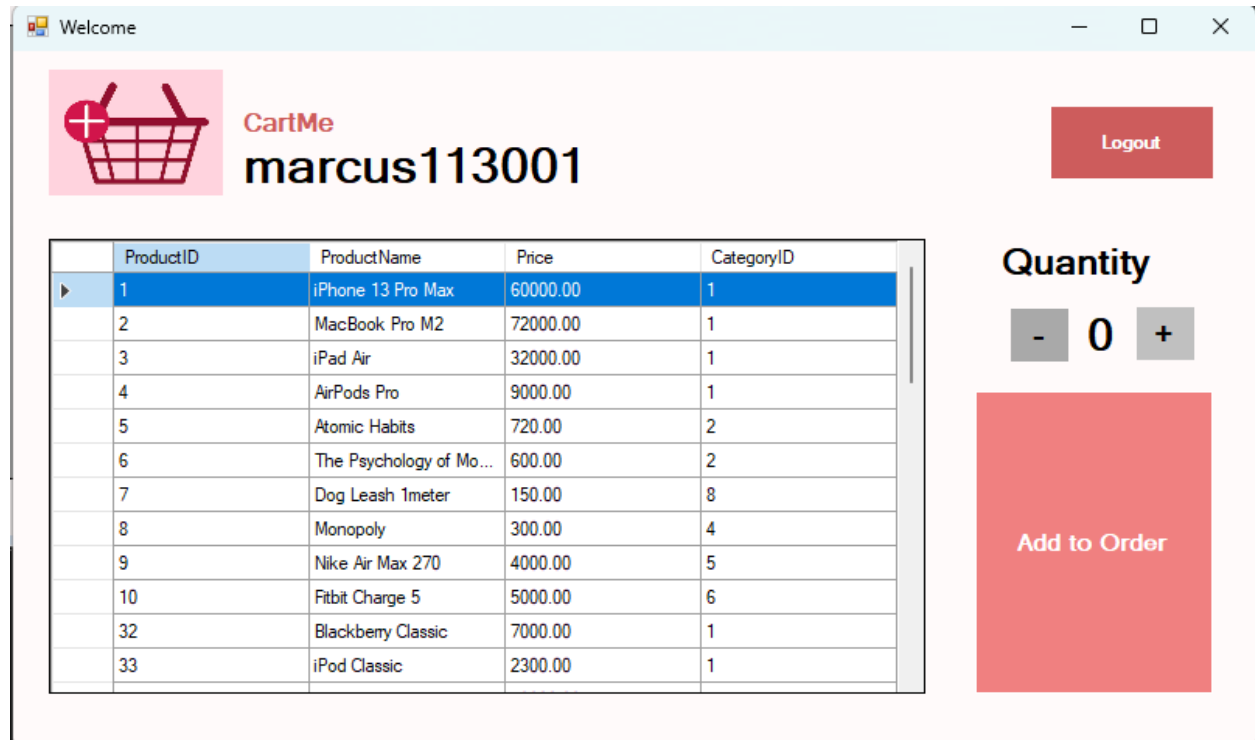

## 1.2 Register

The screenshot shows a web browser window titled "Register to CartMe". The page has a light gray background. In the top right corner, there is a pink square icon of a shopping basket with a red plus sign inside. The main heading "Register" is in a large, bold, red font. Below the heading, there are four input fields: "Email", "Username", "Password", and "Confirm Password". Each field is a white rectangle with a thin blue border. Below the "Password" field, there is a checkbox labeled "Show Password". At the bottom left, there is a red rectangular button with the word "Submit" in white. Below the button, there is a blue hyperlink that says "Already have an account? Login here".

In this window, you will find the following input fields: 'Email', 'Username', 'Password', and 'Confirm Password'. To successfully register your account, it is necessary to provide your email address, username, and password. Please note that leaving any of these fields empty may result in an error message. Therefore, ensure that all the required fields are filled in.

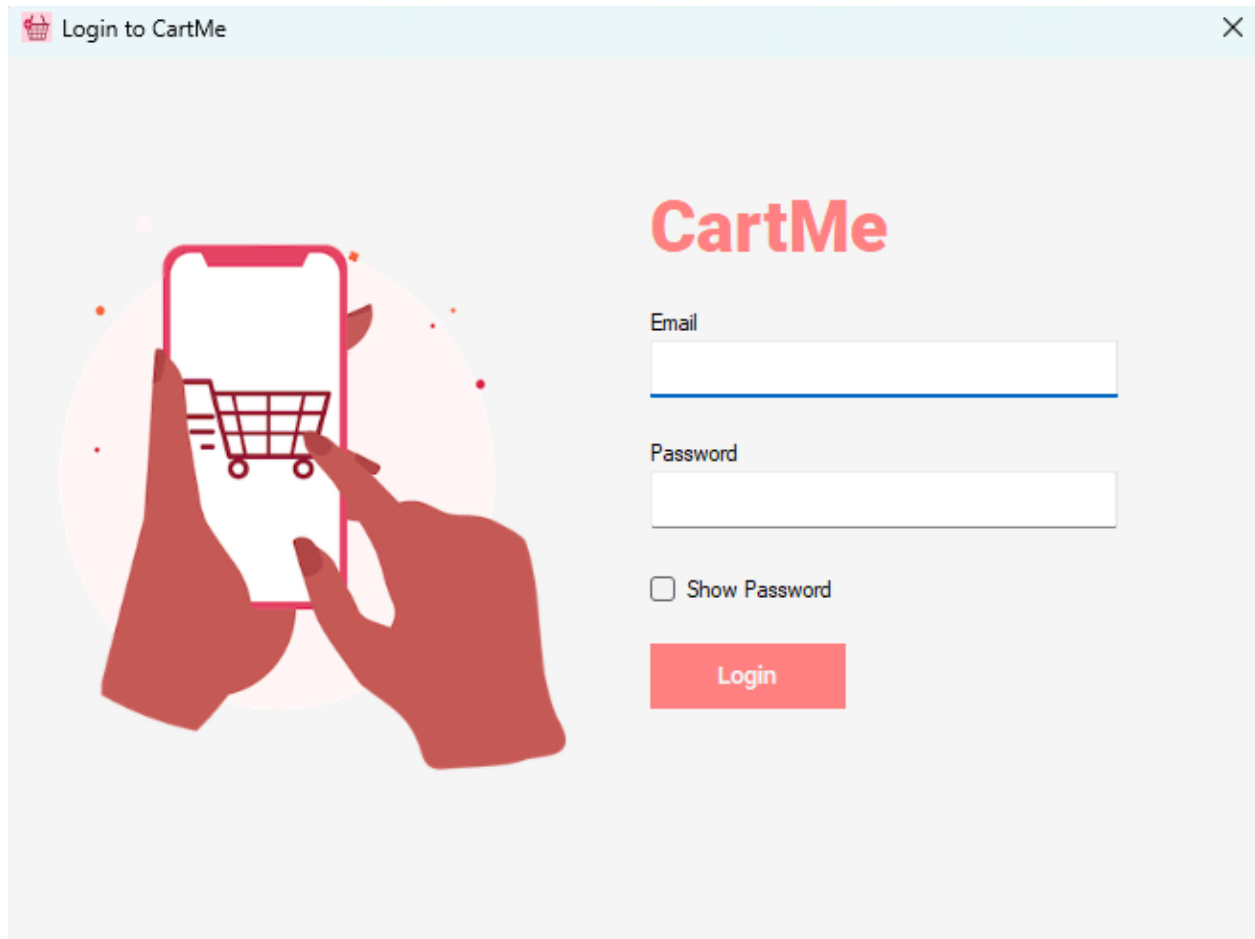

### 1.3 User Main Window

After entering your email address and password in the login window, located on page 1, you will be presented with a comprehensive product list available for purchase on the CartMe store. Prior to placing an order, it is necessary to select the desired item and specify the desired quantity. Subsequently, you can proceed by clicking the 'Add to Order' button.

## 2 Admin Side

### 2.1 Login - Admin

The image shows a web browser window titled "Login to CartMe" with a close button (X) in the top right corner. The page has a light gray background. On the left, there is a circular illustration with a pink border showing a hand holding a smartphone that displays a shopping cart icon. To the right of this illustration, the word "CartMe" is written in a large, bold, pink font. Below the logo, there are two white input fields: the first is labeled "Email" and the second is labeled "Password". Below the password field, there is a checkbox labeled "Show Password". At the bottom of the form, there is a pink rectangular button with the word "Login" in white text.

To access the admin dashboard, please enter your admin email address and password, which should be the same as your client login credentials. Once authenticated, you will be redirected to the designated admin dashboard page.

## 2.2 Admin Dashboard

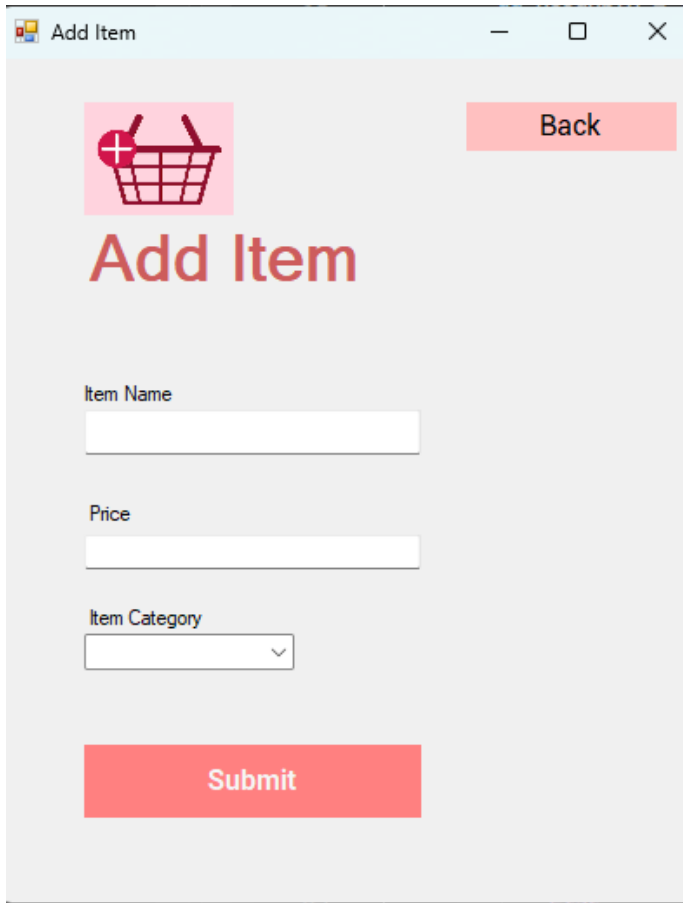

In this window, you may observe the following buttons: 'Add New Items', 'Top Selling', 'Customer Orders', 'Sales by Category', 'Backup Database', and 'Logout'.

- If you want to add items to the store, click the 'Add New Items' button.
- To access the rankings of top selling items, click the 'Top Selling' button.
- To access the orders of customers, click the 'Customer Orders' button.
- To access the different sales according to category, click the 'Sales by Category' button.

- To backup your database, click the 'Backup Database' button. Once clicked, you must choose where to store the database file.

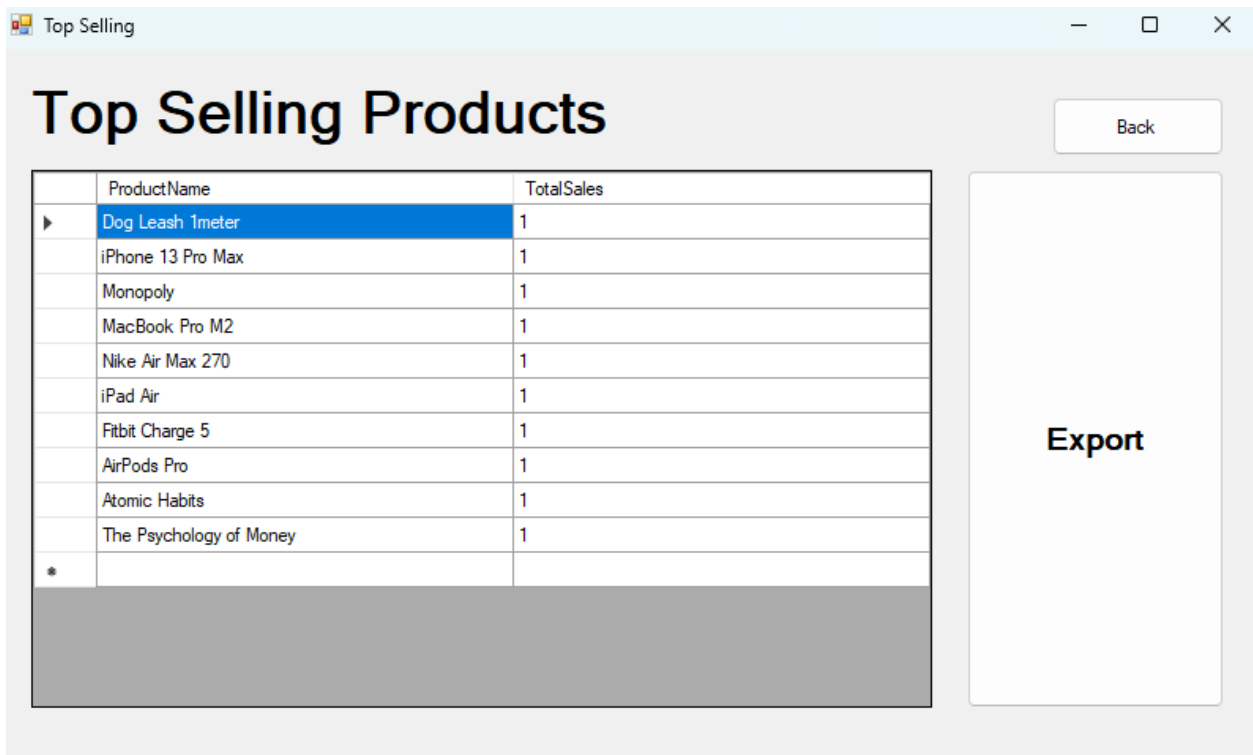

## 2.3 Add Item(s)

The screenshot shows a window titled "Add Item" with standard window controls (minimize, maximize, close). Inside the window, there is a pink shopping basket icon with a plus sign. To the right of the icon is a pink "Back" button. Below the icon, the text "Add Item" is displayed in a large, bold, pink font. Underneath this, there are three input fields: "Item Name" (a text box), "Price" (a text box), and "Item Category" (a dropdown menu). At the bottom of the form is a large pink "Submit" button.

This window allows you to input and observe three key fields: 'Item Name', 'Price', and 'Item Category'. To successfully add an item, you must provide the name, price, and category of the item. It is important to note that an error message will be displayed if any of the fields are left empty. Therefore, ensure that all the required fields are filled before submitting.

## 2.4 Top Selling

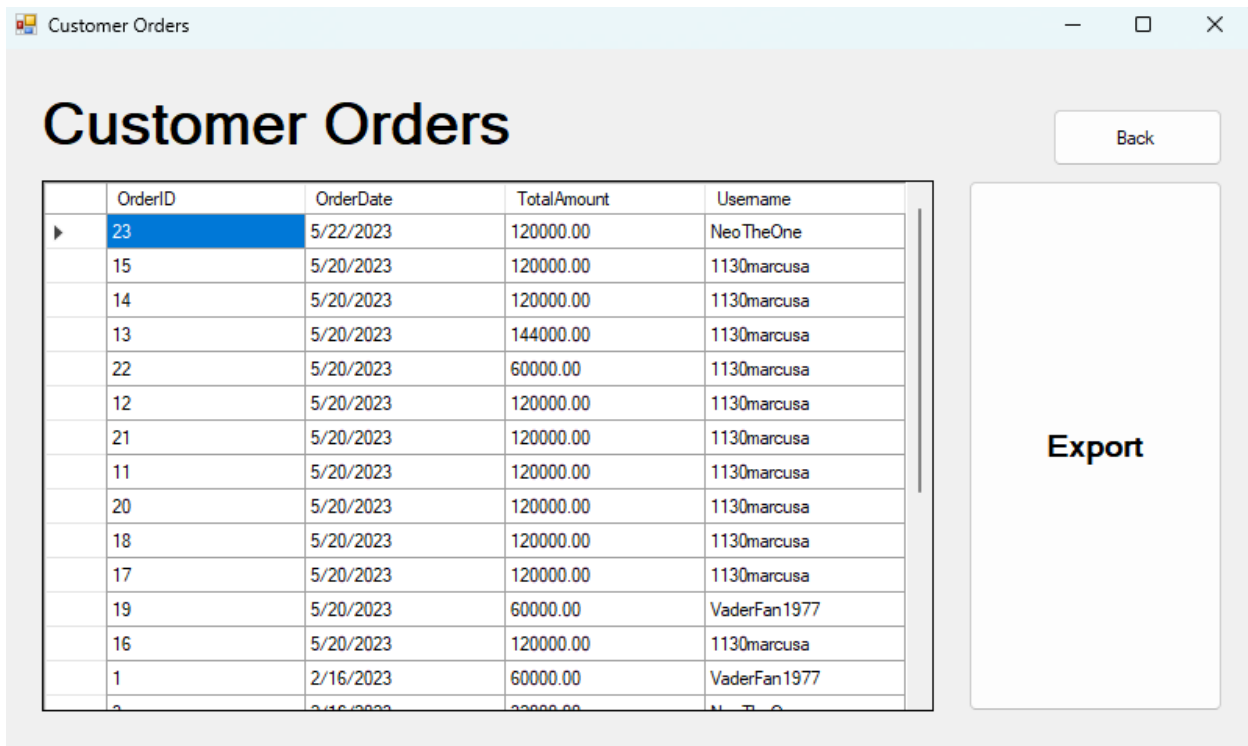

The screenshot shows a window titled "Top Selling" with a light blue header bar containing standard window controls. The main content area has a title "Top Selling Products" in large, bold, black font. To the right of the title is a "Back" button. Below the title is a table with two columns: "ProductName" and "TotalSales". The table lists 12 products, each with a value of 1 in the "TotalSales" column. The first row, "Dog Leash 1meter", is highlighted in blue. Below the table is a grey rectangular area. To the right of the table is a large white rectangular area with the word "Export" in bold black text.
